Task	Status	Time Spent
Display restaurant info fav	complete	2 hrs
Display restaurant info trashed	complete	2 hrs
Show address	Complete	1 hr

Include screenshots/diagrams/figures/etc. to illustrate what you did this past week.

What problems did you run into? What is your plan for them?

I had trouble getting address to fetch properly from the database. Ultimately we added an extra field to the db which allows address to be displayed on favorites page.

What is the current overall project status from your perspective?

We are done developing now. We just need to test and get feedback and fix bugs.

How is your team functioning from your perspective?

We are functioning well as a team.

What new ideas did you have or skills did you develop this week?

Improved my react and js skills

Who was your most awesome team member this week and why?

David for being awesome.

Plans for Next Week

Testing, bug fixes.
